

## HW #0

1. Download OpenCV to your PC or laptop from OpenCV (preferred). OpenCV is totally free.
2. Run it!
3. Extra credit: Take a selfie, load it in as a `Mat` object, and display it. Submit a screen shot and earn 2 bonus points!
4. Extra extra credit: Take a video, load it in as a `VideoCapture` object, and display it. Submit a file containing the commands you used to load and display it for 3 more bonus points!
